Hello LNSC

June has been a busy month. Carol and I were fortunate to be invited to go party at the 36th Annual Stuart, Virginia "Beach Festival" with several of our LNSC members and a couple thousand of other Beach Music fans. This event is held at Wayside Park Campground on the second weekend of June every year. We arrived on Thursday and told the campground host we were with Nathan Sapp and the royal treatment began immediately. We set up our rig and realized our campsite and the community site for the party was right beside the stage slightly up the hill, which is part of a natural amphitheater. Nathan arrived and in no time a big 12 x 20 tent was set up and beach theme decorations were going up complete with lights, mechanized parrot, and the famous Tiki Bar and our own LNSC Banner. It was awesome. The music began Thursday evening and so did the party. Friday the local radio station reporter, which happened to be the campground owner, came by and interviewed some of us, asking questions about how long we have been coming, what we liked about it, etc. Nathan said that either he or Kathy had attended all except about 6 or 7 of the events. That is one reason we had such a great site for the event. Entertainment was really good with the big bands coming in on Saturday. (Embers, Jim Quick and Coastline, Blackwater Rhythm and Blues Band, and Silk Groove). We had our own personal Chef who cooked some really great shrimp, ribs, hot dogs, burgers, and breakfast every morning. Visitors were stopping by the site all the time sampling the food and all the great sides provided by long time attendees of this party. We thank all these party people for a truly great time. LNSC members Nathan and Kathy Sapp, Byrd and Carolyn Brewer, James and Wanda Smith, George and Amy Dunn. We met 7 others that are long time members of this group and we sincerely enjoyed our time shared with them as well. Check out this event some-time.

John Haas has put together some large crowds for 2017 "Summer Shagging at the Landing". He has a great DJ line up. Check out the pics at <https://www.facebook.com/Summer-Shaggin-at-The-Landing-190474947656315/> and come join in the fun every Wednesday night through the summer months.

We attended the "Father's Day Cookout DJ Blast" at the Conversation Peace in Concord, NC this past weekend. LNSC's own Gene Hensley and Donnie Meadows were 2 of the DJ's and they put on a great show with lot's of dancing. The turnout was not as good as the organizers wanted, but the food was excellent and great social time with LNSC members and friends as well as members from Sandy Beach Shag Club and other Shaggers. Members in attendance were Jeff and Pam Bundy, Bill and Wanda Cavin, Gene and Pat Hensley, Donnie and Del Meadows, Mike and Joan Wolfe.

LNSC 2017 ACSC Summer Workshop time is here! Terry Hopper and Melanie Jones and their Committee's have put together a great plan. Please come and support your club and hope to see you there. It will be a fun time to put this event. Put your smiles on at the door to greet Shaggers and friends from shag clubs from all over the southeast.....and have a great time!!

A Few Chuckles Charlie Foxx

1. AT&T fired President John Walter after nine months, saying he lacked intellectual leadership. He received a \$26 million severance package. Perhaps it's not Walter who's lacking intelligence
2. WITH A LITTLE HELP FROM OUR FRIENDS: Police in Oakland, CA spent two hours attempting to subdue a gunman who had barricaded himself inside his home. After firing ten tear gas canisters, officers discovered that the man was standing beside them in the police line, shouting, 'Please come out and give yourself up.'
3. WHAT WAS PLAN B? An Illinois man, pretending to have a gun, kidnapped a motorist and forced him to drive to two different automated teller machines, wherein the kidnapper proceeded to withdraw money from his own bank accounts
4. THE GETAWAY! A man walked into a Topeka, Kansas Kwik Stop and asked for all the money in the cash drawer. Apparently, the take was too small, so he tied up the store clerk and worked the counter himself for three hours until police showed up and grabbed him
5. DID I SAY THAT? Police in Los Angeles had good luck with a robbery suspect who just couldn't control himself during a lineup. When detectives asked each man in the lineup to repeat the words: 'Give me all your money or I'll shoot', the man shouted, 'that's not what I said!'
6. ARE WE COMMUNICATING? A man spoke frantically into the phone: 'My wife is pregnant and her contractions are only two minutes apart'. 'Is this her first child?' the doctor asked. 'No!' the man shouted, 'This is her husband!'
7. NOT THE SHARPEST TOOL IN THE SHED! In Modesto, CA, Steven Richard King was arrested for trying to hold up a Bank of America branch without a weapon. King used a thumb and a finger to simulate a gun. Unfortunately, he failed to keep his hand in his pocket. (Hellooooooo)...!!!
8. THE GRAND FINALE! Last summer, down on Lake Isabella, located in the high desert, an hour east of Bakersfield, CA, some folks, new to boating, were having a problem. No matter how hard they tried, they couldn't get their brand new 22 foot boat, going. It was very sluggish in almost every maneuver, no matter how much power they applied. After about an hour of trying to make it go, they putted into a nearby marina, thinking someone there may be able to tell them what was wrong. A thorough topside check revealed everything in perfect working condition. The engine ran fine, the out-drive went up and down, and the propeller was the correct size and pitch. So, one of the marina guys jumped in the water to check underneath. He came up choking on water, he was laughing so hard. Under the boat, still strapped securely in place, was the trailer...

Now remember, these are all true stories and these people vote and most have children!

"Kay Kyser Musicals" Supplied by Nathan Sapp

Kay Kyser played before an audience of married couples and he included the following numbers in his repertoire.

For the Newly-Weds he played "Night And Day".

For those married 20 years he played "Once-In-A-While".

For those married a little longer he played "Now And Then".

As he was just about to play for those married 50 years, an old man in the back of the house jumped up and said, before you play "Memories" please play "We Did It Before And We Can Do It Again"!
