Hello LNSC!

We are back from the ACSC Summer Workshop. Eno Beach Shag Club did a great job! We enjoyed spending time with LNSC members, Gene & Pat Hensley and Chad & Stella Duggins. Speaking of Chad, he has made us all very proud! He came home with the honor of winning the Wet Tee Shirt Contest!

We also enjoyed seeing other LNSC members, Nora Eaton, George & Amy Dunn, Ronnie & Gregory-aka The Skipper & Ginger, Doug & Doris Keaton-aka Mr. & Mrs. Thurston Howell, III.

We said goodbye to Ken Aiken as our ACSC Chairman and welcomed the new board:

Robin Morley-Chairperson
Lisa Caveny-Vice Chairperson
Becky Berry-Secretary
Cecil Martin-Treasurer

We wish them all well with their endeavors.

We are looking forward to our annual Fish Fry. It may be an indoor event if the weather doesn't cooperate.

We are also looking forward to Fall SOS. Wanda will have SOS cards at the Fish Fry for anyone who may need one. Bill will have sign up sheets for the Pour Party.

INVITATION TO ALL LNSC MEMBERS:

You are all invited to Frank Melchor's pool party on August 25. Please come anytime after 2:00. BYOB & covered dish or snack. There will be a world famous DJ for your enjoyment. (He may or may not have fins) 413 Water Street, Mooresville, NC

In closing, I would personally like to thank all LNSC members who attended, worked, and/or spent money at The Chicken Pickin. Without you all we would not be able to donate to 3 Hospice organizations!

See you on Saturday.

Fun Monday Tickets, Fun Monday Tickets, RIGHT HERE, Get 'em while their HOT Tickets NOW!

As a member of our Lake Norman Shag Club, I was asked if I would sell the Fun enthused or unenthused, I accepted the job (TASK, BURDEN, etc) and being smart to ask for help or a partner, in this Chad Duggins answered the call. THANKS CHAD! As I (we) started, I happened to remember what my dad once said to me, the job is as we hard as we make it. He said, "1. Realize what is to be done, and the easiest way to do it, which makes it fun to do. 2. How/who does it help. 3. Go about it quickly and with enthusiasm, this will speed things up. And 4. If this is helping someone or something that is really important, make it important to you." I found that a portion of the sell of the tickets goes to the CARING FOR KIDS, which is a charity in North Myrtle Beach, and the SOS Charitable Foundation. Should we sell the winning ticket, OUR club gets \$100 and I would (I mean or Chad would) get \$100. That would be great in itself. This would also bring recognition to our club. All are very positive things. But the most important thing is the CARING FOR THE KIDS charity. This also helps SOS. They have entertainment for the ones that come to SOS and get to see a band the music that enlightens our hearts. We all can say that we have made new friends by being at the beach. So, why not support this endeavor? Most of us have children and grandchildren, how about buying a ticket for you and them. You know that they can find a way to use it and the potential is HUUUGGEEE. Kathy & I have a friend that is ill and has a lot of medical bills, we bought a ticket for her. I know she appreciated it. We buy one for each of our kids (I earmark them so I know which one owes me if they win). Always remember what we do today will come back to us in the future, sometimes 10 fold. I think if every one in the club supports our club these tickets will be easy to sell and why wouldn't they? Helping our club, helping kids, SOS and ourselves is a no brainer. Selling anything can be hard at times, dad always said, "be sure to than everyone, even if they don't buy, let them know what good can come of this and by them caring". In Lake Norman Shag Club, like all others in the shag world WE ARE a loving and caring group of GREAT PEOPLE!

Thanks

Leon

PS Tickets are going fast. See myself or Chad for yours!

This is priceless!! Submitted by Jeff Surratt

Checking out at the store, the young cashier suggested to the much older lady that she should bring her own grocery bags, because plastic bags are not good for the environment.

The woman apologized to the young girl and explained, "We didn't have this 'green thing' back in my earlier days."

The young clerk responded, "That's our problem today. Your generation did not care enough to save our environment for future generations."

The older lady said that she was right our generation didn't have the "green thing" in its day. The older lady went on to explain:

Back then, we returned milk bottles, soda bottles and beer bottles to the store. The store sent them back to the plant to be washed and sterilized and refilled, so it could use the same bottles over and over. So they really were recycled. But we didn't have the "green thing" back in our day.

Grocery stores bagged our groceries in brown paper bags that we reused for numerous things. Most memorable besides household garbage bags was the use of brown paper bags as book covers for our school books. This was to ensure that public property (the books provided for our use by the school) was not defaced by our scribbles. Then we were able to personalize our books on the brown paper bags. But, too bad we didn't do the "green thing" back then.

We walked up stairs because we didn't have an escalator in every store and office building. We walked to the grocery store and didn't climb into a 300-horsepower machine every time we had to go two blocks. But she was right. We didn't have the "green thing" in our day.

Back then we washed the baby's diapers because we didn't have the throw away kind. We dried clothes on a line, not in an energy-gobbling machine burning up 220 volts. Wind and solar power really did dry our clothes back in our early days. Kids got hand-me-down clothes from their brothers or sisters, not always brand-new clothing. But that young lady is right; we didn't have the "green thing" back in our day.

Back then we had one TV, or radio, in the house -- not a TV in every room. And the TV had a small screen the size of a handkerchief (remember them?), not a screen the size of the state of Montana. In the kitchen we blended and stirred by hand because we didn't have electric machines to do everything for us. When we packaged a fragile item to send in the mail, we used wadded up old newspapers to cushion it, not Styrofoam or plastic bubble wrap. Back then, we didn't fire up an engine and burn gasoline just to cut the lawn. We used a push mower that ran on human power. We exercised by working so we didn't need to go to a health club to run on treadmills that operate on electricity. But she's right; we didn't have the "green thing" back then.

We drank from a fountain when we were thirsty instead of using a cup or a plastic bottle every time we had a drink of water. We refilled writing pens with ink instead of buying a new pen, and we replaced the razor blade in a razor instead of throwing away the whole razor just because the blade got dull. But we didn't have the "green thing" back then.

Back then, people took the streetcar or a bus and kids rode their bikes to school or walked instead of turning their moms into a 24-hour taxi service in the family's \$45,000 SUV or van, which cost what a whole house did before the "green thing." We had one electrical outlet in a room, not an entire bank of sockets to power a dozen appliances. And we didn't need a computerized gadget to receive a signal beamed from satellites 23,000 miles out in space in order to find the nearest burger joint.

But isn't it sad the current generation laments how wasteful we old folks were just because we didn't have the "green thing" back then?

We don't like being old in the first place, so it doesn't take much to get our ire up... [Especially from a "tattooed, multiple pierced nondescript" who can't make change without the cash register telling them how much.](#)

Dear Members:

The Chicken Pickin Auction Committee is asking for donations for Door Prizes and/or a Silent Auction item.

*****Any Door prize items should fit into a medium size gift bag and have a beach, nautical, chicken, Hee Haw or shag theme. Gift certificates are welcome as well.*****

We would like to have 10 great items for the Silent Auction this year—6 items have already been secured.

If you or your company wish to donate an item for the Silent Auction, just let me know.

Thanks so much,

Patti Quinn
