Hello LNESC Family,

I hope this finds everyone well and hanging in there in phase 2 of this pandemic and hopefully we will go into phase 3 the later part of June.

We will not be having our June 6th and June 27th meetings and of course we have no meeting scheduled in July since July 4th is on the first Saturday and this being the reason, we planned to have 2 meetings in June. With hopes of all going well, we will have our scheduled annual Fish Fry on August 1st by the pool at Cowan's Ford Golf Club.

The Board met at my house on Thursday, May 28th and discussed many things with the 2021 Chicken Pickin' being number 1 priority. We desperately need help planning this event. We are in June and no plans. The Board has come up with a theme and we have the planning off to a start and have put together the committees which we need help with. Please refer to the article by Stella Duggins with the details.

The Board also are discussing a bus trip to a shag club later this year and will present the details to you when completed.

Sadly, Fun Sunday and Fun Monday have been cancelled but Fall Migration is still on. Also, the Summer Workshop which was scheduled for July 10-12 in Pigeon Forge has been cancelled.

On a positive note, let us look forward to our Fish Fry on August 1st and Fall Migration in September. I am sure everyone is like I am and so ready to see each other and get back into the shag world. This has been a long hard road working thru this, but we are in this together and we can do this. Please do not hesitate to contact me or one of the Board members should you need us.

God Bless You All. You are in my prayers every day for good health to continue.

Love You All,
Pat

With that being said, below are the categories that are needing leaders to take charge. The board cannot do this without the FULL support from the club members. Hello my friends.

I was doing some internet searching regarding the Junior Shaggers and ran across an article that was interesting. I have several people that have asked me where they can donate old shag shoes for the juniors. Well. I have found several drop off sites located at the beach. Below are the places you can drop off your old shoes:

Mike Parnell @ The Shoe Center
Judy Vick & Linda @SOS Company Store
Jeannie Elmore @ Judy's House of Oldies

In addition, Gail Roberson, Bloomingail's Consignment in Calabash is taking some of the shoes and donating 100% of the sale back to the Foundation.

I have never known where to drop old shoes. This was a helpful article to me. I wanted to pass along to my friends.

Love,
Stella
