Hello LNSC Family,

I hope everyone is continuing to stay safe and following all the protocols to make this terrible COVID go away.

Welcome back Patsy Fuller! I am so glad you are feeling much better.

We are sorry we missed the January newsletter (we did send out my article) but it was most important Patsy concentrate on getting well. She does an awesome job as our Newsletter Editor and does much more than just the newsletter.

This past year has been a rough and different year with no idea a virus could cause so much hurt and damage to our world. The loss of so many of our family members and friends have been so devastating to all of us. Additionally, many are still sick and many are fighting for their lives and are in need of our continuous thoughts and prayers.

Thankfully, the vaccine is rolling out now and some of us have had the first shot and some have already had the second shot. Everyday the number of vaccines are increasing but at the same time, positive cases are still increasing.

As you know, Mid-Winter was cancelled and the ACSC workshop was held online. Please go to www.shagdance.com and read the updated information and all the well written letters by the ACSC/SOS board members. You will also see the 2021 Icons. The 2021 Summer Workshop to be held in Williamsburg, VA has been cancelled due to COVID-19. To date, Spring SOS has not been cancelled.

Due to another extension by the NC Governor for "Stay at Home" restrictions, we still cannot schedule a monthly meeting/dance. As I have said before, the health and well being of our members are most important.

The Board decided a few months ago to order T Shirts for our members in appreciation for your dedication to our club. We received a great response of 163 out of a total of 165 members. **A special Thanks goes to Stella and Patti for handling this process.** The Board has come up with a plan to distribute the shirts to you. We have scheduled a drive by for you to pick up your shirts. This has been approved by Scott, the manager of Cowan's Ford Golf Club. The information is as follows: (we will be mailing shirts to the out of town members)

Cowan's Ford Golf Club (in the circle at the front door where we enter for our meetings)
Sunday, February 28
2:00 until 4:00

Your Board members will have on their masks and will be ready for you to drive by with your masks on to pick up your shirt. We are looking forward to seeing you as you drive by even if it is just for a second.

On a sad note, this week we should be at the Arcade for our annual Chicken Pickin' but Covid-19 got in the way and we cannot be together. We will just have to look forward to 2022 Chicken Pickin'.

Let's keep the love, faith and prayers coming. **Get your vaccine scheduled as soon as possible.**

We can beat this....We are SOS Strong all the way. Good Times, Good Friends and Great Memories.

We look forward to seeing you to give you a big wave and virtual hug on February 28.

Love and Miss You All!
Blessings,
Pat

Happy New Year LNSC!

Tommy & I are certainly happy to see 2020 in the rear window! We got an early Christmas gift (that we certainly didn't want) of **COVID-19**. I certainly hope we're never that sick again! Tommy & I both had pretty bad cases, but I understand that Tommy Samole was in the hospital for 10 days with it! His wife Sheila also suffered this virus. We are well except for being tired all the time. That too is going away, albeit very slowly! I've told you of our bout with Covid to tell you to please wear a **MASK & practice social distancing**, if not for you, then for me & all others who have suffered this virus, along with all of our friends who are suffering with underlying conditions that make it so easy to get & possibly die from Covid. We lost another good friend this month in Sonny Carver. He & his wife Judy were long time members of LNSC. Please keep Judy & the family in your thoughts & prayers. I have Judy's address if anyone wishes to send her a card! Another sad note Phil Beam from JB's where Lake Norman met for several years passed away on Saturday morning January 30th! Please keep his wife Helen & family in your thoughts & prayers

Also, wanted you to know that this is the reason you didn't receive a newsletter last month. So, there is birthdays & anniversaries for January & February in this newsletter.

Thank you all for the facebook messages, phone calls, texts & cards during our bout with Covid!

Stay safe my friends!
