Hello LNSC Family,

It is so hard to believe it is already August. We are having much cooler days this week. Right around the corner comes SOS Fall Migration on September 16th thru 26th. I hope many of you are making plans to attend. I think it is going to be very crowded since so many people were unable to make it to Spring SOS in June.

We are on schedule to have our Pour Party on Friday, September 25th from 3:00 until 5:00 at the OD Arcade. Same location with same drinks. If interested, please see Bill Cavin to sign up to help out with registration, etc.

The ACSC meeting is scheduled for Saturday, Sept 26 at 10:00 at the OD Resort. Anyone is welcome to attend.

We sent 2 emails to the membership from the ACSC Board addressing several important topics:

- 1) There will be a Celebration of Life on the beach on Wednesday, September 22nd at 6:00 PM to celebrate the lives of those we lost in 2020 and currently. Details to follow.
- 2) Fun Sunday/Fun Monday has been cancelled for Fall SOS 2021.
- 3) Pay attention to the parking situation. Public parking is designated with signs. If you are staying at a beachfront hotel or condo, you will have designated parking.

The second email is concerning two seats for the SOS Board are open for election at the Mid Winter workshop in January 2022. If you are interested in running as a candidate, please refer to the email sent to you outlining the instructions.

Due to so many events at Cowans Ford Golf Club on our August 20th meeting/dance, the Board has decided to forgo the "Shag Dinner Special" for that night but we will be starting back at our September 4 meeting.

The Board will be working with Cowans Ford Golf Club this month to get plans going for our Members Only Christmas Dinner on Saturday, December 4th.

The Board is also continuing to work on the final details for the 2022 Chicken Pick-in'. We are beginning to receive registrations and shirt orders. **Order yours now!**

Don't forget to wear your name badges at our meetings so our guests will know how proud you are to be a part of the LNSC Family.

We will see you on Friday, August 20th.

Love you all!!
Blessings,
Pat

The Shaggin' Shews

Empathy - The ability to understand and share the feelings of another.

These eleven short stories are all very good stories and make us think twice about the daily happenings in our lives as we deal with others!!

1.. Today, I interviewed my grandmother for part of a research paper I'm working on for my Psychology class. When I asked her to define success in her own words, she said;

"Success is when you look back at your life and the memories make you smile."

2.. Today, after my 72 hour shift at the fire station, a woman ran up to me at the grocery store and gave me a hug. When I tensed up, she realized I didn't recognize her. She let go with tears of joy in her eyes and the most sincere smile and said;

"On 9-11-2001, you carried me out of the World Trade Center."

3.. Today, after I watched my dog get run over by a car, I sat on the side of the road holding him and crying. And just before he died;

He licked the tears off my face.

4.. Today at 7AM, I woke up feeling ill, but decided I needed the money, so I went into work. At 3PM I got laid off. On my drive home I got a flat tire. When I went into the trunk for the spare, it was flat too.

A man in a BMW pulled over, gave me a ride, we chatted, and then he offered me a job. I start tomorrow.

5.. Today, as my father, three brothers, and two sisters stood around my mother's hospital bed, my mother uttered her last coherent words before she died.

She simply said, "I feel so loved right now. We should have gotten together like this more often."

6.. Today, I kissed my dad on the forehead as he passed away in a small hospital bed. About 5 seconds after he passed,

I realized it was the first time I had given him a kiss since I was a little boy.

7. Today, in the cutest voice, my 8-year-old daughter asked me to start recycling. I chuckled and asked, "Why?" She replied, "So you can help me save the planet." I chuckled again and asked, "And why do you want to save the planet?"

Because that's where I keep all my stuff," she said.

8.. Today, when I witnessed a 27-year-old breast cancer patient laughing hysterically at her 2-year-old daughter's antics, I suddenly realized that,

I need to stop complaining about my life and start celebrating it again.

9.. Today, a boy in a wheelchair saw me desperately struggling on crutches with my broken leg and offered to carry my backpack and books for me. He helped me all the way across campus to my class and as he was leaving he said,

"I hope you feel better soon."

10. Today, I was feeling down because the results of a biopsy came back malignant. When I got home, I opened an e-mail that said, "Thinking of you today. If you need me, I'm a phone call away."

It was from a high school friend I hadn't seen in 10 years.

11. Today, I was traveling in Kenya and I met a refugee from Zimbabwe. He said he hadn't eaten anything in over 3 days and looked extremely skinny and unhealthy. Then my friend offered him the rest of the sandwich he was eating.

The first thing the man said was, "We can share it."

The best sermons are lived, not preached.
