HELLO LNSC FAMILY!,

We are sorry that we were unable to have an April Newsletter but we are now back on track. I hope everyone is doing great and staying well with all the allergies out there. Hopefully everyone is continuing to enjoy the Springtime.

Speaking of Spring, SOS was great and had the highest attendance since COVID. Most of the days were warm but we had some cool nights. I did attend the ACSC meeting on the second Saturday, April 22nd. The meeting was very informative. Some changes were submitted for the by-laws but are tabled until the September meeting. The 2022 Icon Awards were also announced. The recipients are Debbie Brown (Rock Hill Shag Club), Tim Miller (Ohio Shag Club), and Kevin Twonig (Charleston Area Shag Club). Our LNSC Pour Party was also very good. We had 53 members and 49 guests, making a total of 102 in attendance. Of course we missed those who were not with us. Hopefully we will catch you at Fall SOS.

We now have Fun Monday tickets for sale. I would like to have a volunteer to head this up. We only have until August 20th to sell 99 tickets, so let's do this. The Board has agreed to do the 2024 Chicken Pickin' with Stella Duggins as the committee chair. The theme will be "Movie Night". We are working on the details and will have a flyer at the July 1st meeting.

Rhonda Walker and her committee is working very hard to finalize the 40th anniversary party on June 10th. As of right now we have 97 people signed up. We had a great response from the membership. We are not extending the invitation to anyone who is not a member. Chad and Stella Duggins are starting a set of Shag Dance Lessons starting on June 6th. Please see the flyer in the newsletter. Our next meeting is on Saturday May 6th. I look forward to seeing everyone there.

Happy Memorial Day!

Lots of Love and Blessings to you all!!!

# Editor's Letter

HEY EVERYONE!

I hope yall are doing well. It's been a long time since we've seen each other. I have been working through my first clinical rotation for my Veterinary Technician Degree. It was quite intense. At times I felt like I was in Boot Camp for Vet Techs. It was a 10 week session requiring a mix of videos and written essays. I also had to have 200 hours completed in addition to my already full time schedule. I have a break right now until all my grades are in and then I can journey on to my third semester. I am a little more than halfway through the program and I am starting to see the light at the end of the tunnel.

Whew! We unfortunately will not be at this meeting so we will miss each other again. We'll catch up eventually though. I have also been a little slack about posting pictures to our social media sites. I promise I will get those done soon and I'll email everyone to let you know that those websites have been updated. Thanks everyone for your time and patience. Hope yall have a great rest of your week and a blast at our next meeting and dance.

Sincerely,  
Andrea Shook
