Hello LNSC Family,

I hope everyone is enjoying all the cool weather with lots of rain. It is now officially summer and the temperatures are on the rise with plenty of sunshine ahead. Let's soak it up while we can, before long it will be winter again. Hey, that rhymed ...hah!!.

LNSC's 40<sup>th</sup> anniversary party was fabulous. I want to say a big thank you for all that were involved in this celebration. Rhonda Walker and her committee worked so hard to sure everything turned out Perfect

There was a total of 93 people in attendance at our 40<sup>th</sup> anniversary party. We had 7 people to join our club at the anniversary party. This helped us to bring our total membership up to 190 people. We now have the most members we have ever had. Our club is has grown and is continuing to grow every month. Thank you all for encouraging this growth.

I also want to give a shout out and big thanks to Pam Bundy, Patsy Fuller, Taylor Duggins and Vickie Smith for stepping up to sell the Fun Monday tickets. We have sold 63 tickets and have 37 left. Vickie Smith did a great job displaying a poster itemizing the winnings for the Fun Monday tickets.

The Board is continuing to work very hard on the 2024 Chicken Pickin'. Much of the planning is done, but we still need some chairs for committees. If you are approached by one of us for help, please consider helping out. We really want this to be another successful Chicken Pickin'.

We sent out an email to the membership with details on the Sandy Beach Megafest Party as well as information on chartering a bus again this year. Two River's Shag Club has agreed to share the bus with us. Currently, there are 15 people from LNSC that are interested and Two River's has 5 people interested in riding the bus. Please give this some thought and try to let me know by or at our meeting on July 1<sup>st</sup> if you are interested. We do need a minimum of 56 people for the bus. We want to give our two clubs the first option and then we can present to other clubs. We really do need to know ASAP so we can get the bus reserved. I'm available by phone/text and my information is at the end of this article.

Our next meeting/dance will be August 5<sup>th</sup>. I look forward to seeing you at our July meeting. Until then, please stay safe, happy, and healthy.

Happy July 4<sup>th</sup>!!

Lots of love and blessings to all.

Pat

# Michelle's Message

Hi Everyone,

As I write this article, it is the first day of summer but it still feels like spring, a very wet spring!!

I want to take a moment and say that the 40<sup>th</sup> anniversary party was wonderful with many new and familiar faces in attendance. At the anniversary party we added 7 new members, as ALL the ACSC board members that were in attendance that were not already members joined our club. This brings us to a total of 31 new members since the beginning of the year which makes our total membership count 190. This is wonderful!!!!

Please welcome and introduce yourselves to our newest members: Dennis Deaton, Phil and Candy Long, Terri Myers, Todd and Janet West and Lynda Windsor.

I will be out of town for the July meeting, but I look forward to seeing you in August!

Remember you can still re-up by sending your \$25 (pp) check to:

# Editor's Letter

Hey Y'all

Hope everyone has had a good official start to their summer. I swear this is been the wildest weather. Never in my can I remember it being so cool and rainy during the month of June. Maybe one day we'll get to lay out by the pool or the ocean and work on our tans. I also want to thank you all and Two River's Shag Club for helping support Jess and her family. Everything you have donated has been such a blessing to her. Her family is so incredibly grateful for all of the generosity. They are getting to move into a house within the next week.

So, I am sure that by now everyone has heard about the submarine that set out to visit the Titanic wreckage which is 2.5 miles down in the Atlantic Ocean. Tragically, all 5 passengers aboard the submarine lost their lives. Although it's likely that we do not know any of those passengers personally, we need to remember their families in our thoughts and prayers.

As I've thought about this over the past several days, though this ended in tragedy, I've realized how amazing it is to live in a country that can provide us with the technology and opportunities to explore things like this. Although technology may have failed us in this instance, it has allowed us to do so many good things for the good of our country. None of our space programs, modern medicine discoveries, technologies and explorations; among many other things would be possible if it were not for those who fought and sacrificed their lives for our freedom.

It is because of the brave men and women who sacrificed everything and those who are still laying their lives on the line that we are able to continue to make great strides. Are we a perfect country? No, of course we aren't, but we are not a perfect people. There are things in present day America that we may and may not agree with BUT that's the beauty of it. We have the freedom to choose which side of the fence we want to be on. We are spoiled, compared to many other countries in the world. As we move closer to celebrating America's Birthday, I challenge you to take a moment to reflect on our roots which run so deep in this country and how fortunate we are to live in a place where we can continue to make technological and many other advances for the good of humanity. Also, as we reflect on these things, remember those who fought and who are currently fighting to keep our freedoms safe at home.

Happy 4<sup>th</sup> July everyone, I hope y'all have a wonderful and safe time celebrating the birth of such a wonderful country. We are truly a blessed nation.

Count your blessings today, because we are not promised tomorrow!

I love yall and look forward to seeing you at our July Meeting!

Andrea
