President's Corner

Lake Norman Shag Club Members and Friends,

WOW! What a party! The 35th Chicken Pickin' was another outstanding event for our members and guests. I hope everyone had as great a time as I did. I spoke to many of our members and guests and everyone was complimentary of the party and our club. It is such a good feeling to see so many folks enjoying themselves, getting together with old friends and meeting new ones.

A successful event like the Chicken Pickin' requires a lot of creativity, planning and hard work. There are many that deserve a big THANK YOU but none more than the Chicken Pickin' Committee members. Pat Hensley, our Past President, who is one of the biggest ambassadors for Lake Norman Shag Club that I know. She worked the crowd tirelessly to make sure all were having a good time. Stella Duggins, our past and current Treasurer, worked so hard not only to make sure all the financial aspects of the party were properly handled but also supporting every area of the party. LNSC is so very fortunate to have Stella as an active member. Michelle Stewart, past and current Secretary, also supported every area and helped to keep things organized and moving. I know these ladies would be the first to say thank you for the support they received from their spouses, Gene, Chad and John. Pat, Stella and Michelle would also say thank you, thank you, thank you to all our members who worked various time slots, helped decorate, cleaned up at night, provided for the liquor & wine wagon, arranged for DJs, instructed dance classes, provided items for the silent auction, sold half & half tickets, worked registration, greeted our guests, performed in the entertainment, dressed up on movie night, sold jewelry tickets, coordinated shag bingo and did the hundreds of other tasks necessary to have a successful party. I cannot mention everyone because I know I would miss some who have contributed. Just know your support for LNSC is greatly appreciated.

The OD Arcade staff again did an outstanding job for us. The chicken and BBQ dinners were great. We are lucky to have their continued support for LNSC. Thanks to all the folks there. The Chicken Pickin' Committee will provide a recap at our next club meeting.

President's Corner

On a personal note I would like to thank the many folks, both members and guests who asked "where's Pam"? As many know she was unable to attend the party due to health issues. I missed her being there and all the well wishes, thoughts and prayers sent her way were much appreciated.

We mentioned at our last club meeting that the Board is looking for volunteers for the 2025 Chicken Pickin' Committee. We need to have a Chairperson(s) and several committee members to begin discussions on planning for next year. If you are thinking about volunteering but not sure of all there is to do then don't hesitate. There is a wealth of knowledge and a 'roadmap' in 'The Book'. The Book has all the operational information needed for the party. Also know that those members who have been on past committees and the Board are there to support you. What is needed from the committee is creativity and leadership. Pam and I have done this in the past so I know you will have fun. We have many creative folks and leaders in our club so please consider volunteering. We will discuss more at our next club meeting.

A couple of other topics for discussion at the club meeting will be ideas for dance lessons and possible social events. Our last meeting had great attendance so we hope to see a large turnout for March. Our DJ will be Phil Long. Meeting at 7:00 and party right after. Please come if you can and bring a guest.

Please remember all those who need our prayers and support.

Pam and I hope to see you on the dance floor.

Jeff

Editor's Letter

Hey Yall,

Hope everyone is doing well and enjoying the warmer temps. It's nice to have a break from the colder weather. Although, I am sure we will have another cold snap or two.

I am excited as school is moving forward for me. I have made the Dean's list for my third semester. It has been a long road to get to this point and I am happy to see that the light at the end of the tunnel is beginning to get a bit brighter.

The 2024 Chicken Pickin' Sounds like it was a huge success! I was working that weekend but have heard lots of good things. Thank you to those who have poured their time and effort into making it such a great event. Believe it or not it's almost time to start planning the 2025 Chicken Pickin'. If you have pictures from this year's event you can e-mail them to me and I'll put together a group collage and also try to get them up on our social media websites.

Also if you would like to post/announce something in the newsletter please let me know. You can email me or text me information and I'll be happy to include it.

Hope everyone has a wonderful rest of the week and I can't wait to see you on Saturday.

Happy St. Patty's Day and Happy Easter!

Lots of Love

Andrea
