President's Corner

Fellow Lake Norman Shag Club Members and Friends,

Many of you just returned from Spring SOS and I hope you had a wonderful time! For most of the 10 days the weather was great, a little windy and cool but lots of sunshine. Regardless of the weather it was obvious that there was lots of fun had by all. The clubs and dance floors were full, the DJs were outstanding, we got to see old friends, made a few new friends, enjoy a parade and did what we do at SOS, enjoy fellowship with each other.

The Lake Norman Shag Club (LNSC) Pour Party on Friday afternoon was another success. We had many of our members present and a number of guests attended. Our own DJ, Gene Hensley, played great music as our members and guests consumed a significant amount of libations from the bar. The staff at OD Arcade again did a great job for us. A big thank you to the member volunteer servers, runners, registration desk folks and all who donated to the party. Your willingness to help made for a great pour party. Special thanks to John Stewart for helping to keep things moving at the bar.

The Association of Carolina Shag Clubs (ACSC) held their spring business meeting on Saturday April 27th at the Spanish Galleon. LNSC was represented by myself, John Stewart and Pat Hensley. The ACSC and SOS Board members provided business updates including financial information and SOS card sales. There were a couple of key topics communicated to the shag club representatives. No shag club has volunteered to host the Summer Workshop in 2024. Therefore, the workshop will be held during the Fall Migration. This decision is just for 2024 and will be revisited for 2025. LNSC has hosted this event in the past and we understand the work effort and financial impact a club may experience. Hopefully there will be a club with the resources necessary to host this event in 2025.

Another key topic presented was announcing a price increase for SOS cards in 2025. An increase of \$10 will be in place next year, \$45 with a \$5 discount when purchased through a shag club. Cost increases and a decline in cards sales were main reasons for the increase.

Fun Monday tickets were distributed to the clubs. It was emphasized the need to sell tickets as the profits fund the donations to various charitable organizations. The top prize this year has been raised to \$5,000. I will share more information at our May meeting.

The 2024 ACSC Shagging ICON awards were also presented during the meeting. The recipients were Tom Cullum from Augusta GA, Hilda Bowen (posthumously) from Florence SC, Dina Delevie from Charlotte NC, Marsha Ruth from Portsmouth VA and Georgia Vaughn from Spartanburg SC. Congratulations to all the winners who work hard for their clubs. More information about the ICON award can be found on the ACSC website.

We are still working to schedule dance lessons prior to our meeting each month. We will communicate more as we get a schedule finalized.

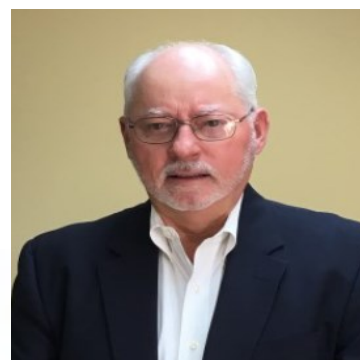

Don't forget we still need volunteer(s) to chair our 2025 Chickin Pickin'. Please let a board member know if you are interested.

As we announced at our last meeting, the May meeting and party will be Friday May 3rd with Scott Smith playing for us. Please invite a friend if you can.

Remember all those who need our prayers and support.

Pam and I hope to see you on the dance floor!

Jeff

Membership Update

Hi Everyone,

We had great weather for the Spring SOS at North Myrtle Beach last week. It was wonderful to see so many of you at the pour party at OD Arcade on Friday afternoon.

We added two new members at our April meeting. Please welcome Brian and Melanie Whitten. We also had one re-up at the pour party on Friday during SOS so our membership is currently 172.

Your board has several exciting events scheduled: dance lessons at our June meeting, the return of the Fish Fry (in August). We hope to see you at the monthly parties.

Those of you who have not been to a meeting, you may RE-UP by mail by sending your \$25 (pp) check, payable to Lake Norman Shag Club, to:

Lake Norman Shag Club
Stella Duggins, Treasurer
PO BOX 21
Denver, NC 28037

I know you will all have a great party on **FRIDAY May 3rd!** John and I will see you in June.

In the meantime, stay well and enjoy the out of doors!

Best regards,

Michelle

Editor's Letter

As May unfolds, we are reminded of the extraordinary women who shape our lives with boundless love and unwavering support. Mother's Day, a day dedicated to honoring maternal figures, offers a cherished opportunity to express gratitude and appreciation for the nurturing souls who enrich our world.

This Mother's Day, let us celebrate the profound influence of mothers, grandmothers, and maternal figures who have left an indelible mark on our hearts. Whether it's a warm embrace, a heartfelt conversation, or a simple act of kindness, every gesture serves as a testament to the immeasurable impact of maternal love.

Let us reflect on the countless sacrifices and selfless acts of compassion that define the essence of motherhood. From late-night lullabies to words of encouragement, mothers embody resilience, strength, and unconditional love, guiding us through life's journey with unwavering devotion.

As we honor the remarkable women who have shaped our lives, let us also extend our gratitude to all maternal figures who contribute to the fabric of our communities. Whether near or far, their presence continues to inspire and uplift us, reminding us of the enduring power of love.

This Mother's Day, let us celebrate the heart of the family and cherish the precious moments we share with the extraordinary women who make our world brighter, kinder, and more beautiful.

Lots of Love,
Andrea
