# President's Corner

Fellow Lake Norman Shag Club Members and Friends,

As I write this article I'm thinking about how lucky and blessed I am to get to do all the things I enjoy. Being with family, taking trips around this beautiful country in our RV, enjoying great friendships, attending shag parties, having a great time at SOS, playing golf and all the other people and activities that make life enjoyable. Lucky and blessed.

Then I think about what it would be like if I could not enjoy all these things. What if we were told what to do and when to do it? What if the things that make our lives full were not available to us? Memorial Day was Monday. In my opinion one of the main reasons I have the life I enjoy is because of all those men and women who are not able to enjoy these things. They gave their life so that we can enjoy the life we have. I hope every time I think about how lucky and blessed I am I also take a moment and thank those who made it possible. I am thankful not only to those we honor on Memorial Day but all those who have served our country and kept us safe.

Summer is here and time to get out and enjoy the great weather. There are many Shag Clubs that have great parties this time of year. We will share any flyers we receive with information about those events at our monthly meeting. Please consider attending some of them and let them know LNSC members support our fellow shag clubs.

For those of you who haven't heard, several of our members have stepped up and volunteered to chair our 2025 Chicken Pickin'. Clay, Angie and Mary Robinette will chair the Chicken Pickin' Committee and Chad and Stella Duggins will be Co-Chairs. What a team! Our Chicken Pickin' event gets better and better every year and I have no doubt with the talent and enthusiasm this team brings, 2025 will be outstanding! This group will be coming to us soon to ask for volunteers for various activities. Let's all give them our support when we can. Thank you Clay, Angie, Mary, Stella and Chad.

The June meeting and party will be Saturday June 1<sup>st</sup> with Gene Sistare playing for us. Please invite a friend if you can.

Remember all those who need our prayers and support.

Pam and I hope to see you on the dance floor!

Jeff

Hi Everyone,

I hope you are enjoying the beautiful weather. I was sorry that John and I had to miss the May meeting, but we hope to see you all at the June meeting.

We did gained a new member, Johnny B. Considering the change of day we had an excellent attendance at our May meeting of 59 with 6 guests arrived for the dance. Our club membership is currently 176.

Your board has several exciting events scheduled: dance lessons at our June meeting, the return of the Fish Fry (in August). We hope to see you at the monthly parties.

Those of you who have not been to a meeting, you may RE-UP by mail by sending your \$25 (pp) check, payable to Lake Norman Shag Club, to:

As the warmth of summer fills the air and families gather for picnics and barbecues, it's essential to pause and reflect on the deeper meaning of Memorial Day. Beyond the festivities, this day serves as a solemn reminder of the sacrifices made by those who bravely served their country.

Memorial Day traces its roots back to the aftermath of the Civil War, when communities across the United States began honoring fallen soldiers with solemn ceremonies and decorating their graves with flowers. Over time, it evolved into a national holiday, officially recognized to honor all American service members who gave their lives in defense of freedom.

Each year, on the last Monday of May, the nation comes together to pay tribute to these heroes. It's a day to remember not only their courage and valor but also the families they left behind. Behind every name etched on a memorial, there's a story of sacrifice, duty, and unwavering commitment to a cause greater than oneself.

From the fields of Gettysburg to the beaches of Normandy, from the jungles of Vietnam to the mountains of Afghanistan, countless men and women have answered the call of duty, knowing full well the risks they faced. Their selflessness and dedication have shaped the course of history and preserved the freedoms we hold dear.

On Memorial Day, we honor their memory by acknowledging the debt we owe them. It's a day to express gratitude for their service and to ensure that their sacrifices are never forgotten. Whether through attending commemorative ceremonies, visiting memorials, or simply taking a moment of silence, we can all play a part in preserving their legacy.

As we enjoy the blessings of liberty and pursue our dreams, let us always remember the price paid for our freedom. Let us honor the fallen by striving to be worthy of their sacrifice, by cherishing the values they defended, and by standing united as one nation, indivisible, with liberty and justice for all.

LOTS OF LOVE TO EVERYONE,  
ANDREA
