# President's Letter

March 2025

Fellow Lake Norman Shag Club Members and Friends,

The headlines might have read that *"Captains Robinette (Angie, Clay & Mary) and First Mates Duggins (Stella & Chad) along with all their 'pirates' sailed into North Myrtle Beach and 'captured' the OD Arcade for three days in February"*. The story continues with *"they brought their secret treasure chest along with many other gifts to share. The pirates feasted on Friday and Saturday and invited all those nearby to share their meal. When Captains Robinette were asked "were the pirates there to pillage", First Mates Duggins announced to the gathered crowd "No to pillage but YES to PARTY"!* And party they did! If you missed the 2025 LNSC Chicken Pickin' and the invading 'pirates' then you missed an outstanding time. To the Chairs, Co-Chairs, Committee Chairs, Committee Volunteers and anyone else who helped with the party you are to be congratulated for a job well done. Great crowd, great music, outstanding costumes, great food provided by the OD Arcade staff, a few surprises and I could go on with all the wonderful things about the party. One of the best things for me was how many of our members and guests spoke to me and said how much fun they had and they would definitely be back next year. One couple even told me they would no longer attend Mid-Winter but would replace it with the Chicken Pickin' because they had a lot more fun. LNSC is all about enjoying each other, supporting each other and having fun. Compliments like those I received are a testament to the wonderful folks we have in our club.

Leading the Chicken Pickin' takes planning, creativity, management skill and hard work to make it successful. THANK YOU, THANK YOU to all who made our party a success! It also takes a good partner and the OD Arcade management and staff always work hard to make sure we have a great time.

We are still finalizing the results from the party, gathering receipts, paying invoices and reconciling the numbers. We will have a recap for our members at the March 1<sup>st</sup> meeting. As always if you have any thoughts and suggestions for the 2026 Chicken Pickin' please pass along to any board member. Speaking of 2026, it is never too early to begin planning. If you are interested in being the chairperson for 2026 please let us know. I have already heard rumors that this year was so good that the chairpersons may be 'drafted' for a 5 year term. HA!

At our February meeting we announced 2 new committees, Social and Communications. Pam Bundy has volunteered to be the Communications Committee Chair for 2025. Her role will be to coordinate with the other members of the committee to ensure we get needed information to our members and be consistent across the various platforms we use, Facebook, web site, newsletter and email. I know Pam personally. She is hard working, highly intelligent, very attractive and speaks highly of her wonderful spouse so I have no doubt she will do a fantastic job! Thank you Pam for volunteering.

We have a couple of members who have expressed interest in participating on the Social Committee but we do not yet have a volunteer to chair this committee. Some of the duties for the Social Committee will be decorating the tables for our monthly meeting and helping the board with ideas and plans for any social activities that may be of interest to our members. If you would like to chair this committee then please let one of the board members know.

Several of our members have recently lost loved ones or have experienced health issues. Those events should remind us all how short life really is and how everyday matters. Whenever you can please reach out to those needing support. I know they will appreciate it.

Our next meeting is Saturday March 1<sup>st</sup> with DJ Butch Davidson.

Pam and I hope to see you on the dance floor!

Jeff

# Secretary's Desk

Hi Everyone,

We had a great turnout at our 36<sup>th</sup> Chicken Pickin' and we had a great time!! We have a lot of want to be pirates in our club!!

During the first 2 months of the year over 66% of you have re-upped and we added 11 new members. So far this year we have 126 members. As a reminder, according to our club by laws, if you have not re-upped by Feb. 1 you will no longer be considered a member. We have been waiting until after Chicken Pickin' because that is when many of you pay your yearly dues.

We hope that those of you who have not rejoined so far this year will this month at our March meeting or by sending your check to Donna at the address below. Please make checks payable to LNSC.

Those of you who have not yet paid your 2025 membership, you can do so by mailing your \$30 (pp) check, payable to Lake Norman Shag Club, to the address below OR at the March meeting:

Ahoy, my merry crew of pirates and wenches!

Shiver me timbers, didn't we have the absolute **best** time at Chicken Pickin'? I was sad to see it end, but I'm already counting the days to next year's escapade. Setting sail and escaping with everyone was just what I needed to shake off the winter blues.

In a surprise twist, I ventured onto the dance floor! While I may not have nailed all the steps and counts, I truly appreciate everyone's patience and willingness to help me learn and grow. I've even picked up some new dance steps and have been practicing them!

Navigating back home was quite an adventure—those storms were fierce and the rain relentless, but I hope everyone made it back safely. Also, just to let you know, I'm gathering the photos from our journey and will be sharing them soon, so keep an eye out for that. I've seen some fantastic memories already posted on social media, too.

A heartfelt reminder to keep our friends on the concerns list in our thoughts and prayers. Remember, a simple smile or kind word can make a world of difference in someone's life.

See you all on Saturday!  
Love, Andrea
