## Message from Your President

AUGUST!!! ????

Man, where has the year gone? Just in case you were wondering, Christmas will be here in 5 months! So, if you are hating this hot weather, you only have a couple more months before it changes. Hang in there!

For those of you that were not able to attend our July Meeting, it was a very special night. We presented the Glenn A Kiser Hospice House our donation from our proceeds of the Chicken Pickin'. Many thanks to Chris Perrell and Edwina Ritchie for taking time to be with us on a July 4<sup>th</sup> weekend and accepting our donation. It is a great feeling to know that LNSC Members and our friends from the shag world, can help in some way. Very proud of you all.

Well, our big event is finally here. Actually 2 events in 1 day. We love the stress! Not really, it was just the way things worked out. Saturday, August 6, Lake Norman Shag Club will be hosting our 3<sup>rd</sup> annual golf tournament at Cowan's Ford. Our proceeds this year will go to WSGE Radio Station, 91.7. The Golf Tournament Committee has done a fantastic job of promoting this fundraiser, along with WSGE. Sign-in's will start at noon for the tournament, with a 2:00 shotgun start. While the golfers are making their way around the course, all the non-golfers will be splashing in the pool, playing games, listening to music and learning new dance steps. (Tell me again why I am on the golfing side??)

We also are having our annual Fish Fry on this day. You can bring your favorite appetizer or dessert to share. Dinner will start between 6:30 and 7:00. Water, beer and wine will be provided. The bar will be open if you would like to purchase anything else. However, as with our meeting nights, you cannot bring in alcohol. After dinner, the winners of the Golf Tournament will be announced, as will the winners of the raffle tickets. There are some awesome gifts that have been donated, so make sure you purchase your tickets for a chance to win.

**If you are working during the Golf Tournament or the Fish Fry, please remember to wear your LNSC Name Badge.**

We will not be having our regular meeting this night. Which means we will have a lot to discuss at our September meeting.

LNSC had 18 members in attendance at the Summer Workshop in Columbia, SC the weekend of July 8-10. Our members observed and asked questions in preparation for the 2017 Summer Workshop that we are hosting. It was a great weekend. I will share the highlights of the ACSC Meeting with you at the September Meeting.

Hope to see you all at our big day, August 6! You do not want to miss this one!

Pam

I normally would not write a second article for the newsletter this soon. However; in driving home from Columbia, SC after attending the 2016 ACSC Summer Workshop I just could not get my mind off of the Junior Shaggers. When we got home and settled I found myself at my computer as I do most every day. I ended up on Facebook and watched several posted video versions of the Junior Shaggers. I bet I watched some of them 10 times. For those that attended this event, they know what a real special treat we all got in watching six young couples keeping the shag dance alive and well. It really got me to thinking even more that maybe what is needed in this country is to have a USA Shaggers Association.

Maybe if more people got involved in shagging then maybe that would be the **special medicine** needed for our country to cure all of this senseless killing that we see going on all over our country. If people could just see how infectious it is as in watching those Junior Shaggers then they would know just what I and our entire shag club and all the other shag clubs see. They say that the Junior Shaggers are our future. Well, let me tell you, in watching this great group of young men and women and then watching what goes on in our political system and in our country from the top down, then I'm damn glad to see that we still have hope for a bright future since the Junior Shaggers are our future. Who knows, maybe one of those Junior Shaggers might turn out to be President of the USA or a Congressman or Congresswoman. If that could come true then we have a chance for that **special medicine** that I spoke of earlier to start at the top and spread throughout this whole country as that special cure we so badly need.

This was mine and Sandi's first ACSC workshop ever. We get to make it two in a row since the best shag club of all is hosting next year's event. So, we are not wishing our lives away but we are already looking forward to July of 2017 to get here. And I know how much we all love and support the Junior Shaggers that there will be NO DOUBT that we will have them as part of our 2017 Summer Workshop event.

In closing I want to say a "**special thank you**" for all of those from LNSC that attended the 2016 workshop. As I said, this was our first workshop. And it was our very special friends from Lake Norman Shag Club that made the event very special and so enjoyable for Sandi and me. We love and cherish each and every one of you as we do all of our LNSC members.

Now, for one final comment. Hold on to your ass because 2017 is going to be one hell of a summer workshop ride!!

Jeff "Big Dawg" Surratt and Sandi Surratt

I would like to thank everyone who took the time to text, call, email, send a card and say a special prayer during the grieving of the loss of my Father. It meant a lot to me to see many of my Lake Norman Shag Club family at the service. I so appreciate and love each one of you. I know that some of you came from the Summer Workshop. It's times like this that your family and friends can comfort you. My Mom was amazed at the love and support my shag friends showed to our family. As many of you know, out of 4 children, I was the only girl. I was always "Daddy's Little Girl". I would not take anything for the last 10 days that I spent with Mom and Dad before he went to his heavenly home.

Thanks again for all the continued prayers. Look forward to seeing everyone soon.

Wanda Cavin

The prayer below was contributed by Shay Thompson and really fits our Shag Club especially since we lost Roger Lemmond last week along with Cynthia McKenzie's sister:

Comfort me with Your love O God  
Wrap me up in Your strong embrace  
Shelter me from the storm O Lord  
Envelop me in Your tender care

By day I pour out my heartbreak to You  
By night I give you my racing thoughts

In You I take refuge  
In You I will not be afraid  
For you hold me strong, You hold me safe

Calm my fearful heart O God  
Still my anxious mind O Lord

For all my life is found in You  
All my being is given to You  
All my hope begins in You
