Fellow Lake Norman Shag Club members,

Can you believe the Christmas season is already here? I know we have all said this many times before but this year has gone by so fast. It has been a great year for LNSC but there is still more to come. Our annual Christmas Party is Saturday December 7th. There will be an abbreviated meeting with the main topic being the election of your 2014 Board. We will have dinner prepared by the Cowan's Ford staff and then it is time to party. Continuing our tradition we will be collecting unwrapped toys to be donated to 'Toys for Tots'. Please remember to bring a gift to help kids, who may not otherwise have a Christmas, experience a little of the Christmas spirit. I'm looking forward to a great party!

When I became your President last January I said I wanted to help the club accomplish three objectives. First I wanted the club to grow the membership, second bring back the newsletter and third I wanted the club members to have as much fun as possible. So how did we do? Our membership has consistently grown in 2013. We started the year with 158 members and the last count is 176. We created a newly formatted and renamed newsletter. I hope you agree that Pam Bundy has done an outstanding job as Publisher and Editor of the new 'Shaggin' Shews'. Finally we had another outstanding year of events. A successful Chicken Pickin', an award winning SOS Parade float, great Pour Parties, the famous Fish Fry, monthly club meetings and parties, an outstanding bus trip to the Sandy Beach Shag Club party, continued our giving to worthy causes and had a lot of fun! All this is only possible because of you the members. Thank you so much for making 2013 a great year. I think we accomplished our objectives.

This will be my last newsletter article as I will end my term as your President. I want to take this opportunity to tell you how much I appreciate all the support I have received this past year. The members of LNSC are the best! You always are there when needed, you volunteer, you work hard and most importantly you continuously demonstrate how much you care about each other. I hope you are as proud as I am to say "I'm a member of Lake Norman Shag Club".

I would also like to sincerely thank all of you who thought of me and my family during the recent passing of my sister, Donna. Your thoughts, prayers, cards and calls were greatly appreciated. Donna was very sick for many years but in all that time I never once heard her complain. She only thought of others. She taught me a great lesson. Don't complain about your circumstances, keep pushing forward and think of others first. I hope I can honor her by remembering this lesson.

Please remember those less fortunate than us and help however you can. Pam and I wish everyone a very Merry Christmas and Happy New Year!

Jeff

Adult Pudding Shots (10 Assorted)

added by Kimmi Knippel (Sweet_Memories)

I did some web searching & found these variations... Jello shots have been a party favorite for years, with a shot of alcohol mixed in with jello, poured into individual s cups & refrigerated. A new version of this are pudding alcoholic shots, where you pu your shot into different flavored puddings. People who like jello shots tend to love pudding shots as well. That why if you know anyone who loves jello shots you should teach them how to do a Pudding Shots Recipe. Ther are some people who love puddings shots better than jello shots & the good news about a Pudding Shots Recip that they are very easy to make. USE YOUR IMAGINATION...THE POSSIBLITIES ARE ENDLESS...

What is Couple Sex?

An 8 year old girl went to her grandfather, who was working in the yard and asked him, "Grandpa, what is couple sex?"

The grandfather was surprised that she would ask such a question, but decided that if she's old enough to know to ask the question then she's old enough to get a straight answer.

Steeling himself to leave nothing out, he proceeded to tell her all about human reproduction and the joys and responsibilities that go along with it. When he finished explaining, the little girl was looking at him with her mouth hanging open, eyes wide in amazement.

Seeing the look on her face, the grandfather asked her, "Why did you ask this question, honey?"

The little girl replied, "Well, Grandma says to tell you that dinner will be ready in just a couple secs."
