Hello LNSC and Welcome to January 2017!

I hope everyone had a Merry Christmas and a Happy New Year celebration. Carol and I truly enjoyed the LNSC Christmas Party with everyone. Jennifer and the CFCC staff did a great job serving our Club and the food was delicious. Ed Timberlake played some really great music and I enjoyed the shagging that ensued. If you could not attend this year you were missed, I hope you can attend next year. It is a fun time to be together!

In last month's Shaggin Shews Pam Bundy did a great job highlighting our Club's events and accomplishments during 2016. Last year was indeed a great year for our Club thanks in large part to Pam's excellent leadership and hard work as our President. I wish her well in her retirement from work and look forward to sharing more time with her and Jeff shagging and camping in the future.

Tootsie Sexton left our Board as Secretary last year. Her work in that role as well as her thoughts and opinions regarding leadership of our club are greatly respected and appreciated.

Thanks to Wanda Cavin for staying and serving again this year as LNSC Treasurer. Her hard work and dedication to our club are undeniable and sincerely appreciated.

Pam, Wanda and Tootsie I want to shout out a big THANK YOU for all your time and efforts spent making the LNSC a fun filled and a rewarding experience for the rest of us.

I extend my appreciation to Jean Rome for her many years as the LNSC Webmaster. Thank you so much Jean for keeping us informed and entertained in that role. Thanks also to Alan Williams and Jr. Norfleet for stepping up and taking on the Webmaster duties.

Thanks to all of you for your personal contributions to our club. It does not matter the form of your contributions; leadership, organization, artistic talent, professional skills, financial resources, love, or a smile. Your personal contributions matter.

Thank you all for being members of our LNSC!

Taylor

Hi Pam,

I just had to send a letter to you and all the members of the LNCS and thank everyone for the warm and inviting reception you always give Joe and I. We have been members of LNCS for several years but due to living at NMB, we have not been able to attend the events you have in the Lake Norman area. We have always enjoyed being with LNCS members at your events at NMB and have formed some wonderful friendships with many members of your club. This year we were able to attend the Christmas party at Cowans Ford and I can't tell you how much it warmed my heart how the members received and welcomed us at the party. So, so many people told us how glad they were to see us and made us feel so special. I truly feel that LNCS is the friendliest and warmest of all the shag clubs, and just wanted you to know that it does not go unnoticed! Even though Joe and I love living at the beach, we hate that we are not able to attend more of your events. We are so looking forward to seeing everyone at Chickin Pickin!! Thanks again for your wonderful hospitality!!

Sincerely,
Beth Cornwell

A Toast to the New Year!

In case you were planning to include alcohol in your holiday plans, here are a few things that may help.

- 1 Use the buddy system to make sure your buddy does not let you drink too much.
- 2 Drink plenty of water before the party and during the party. (The exercise of going to the bathroom multiple times will help keep you sober. LOL)
- 3 Take a good B complex before drinking and before sleep to boost glutathione (to detoxify)./ Magnesium to keep any headaches at a minimum/Supplements for LIVER support!!! And again.... WATER!!

For the new year, think of an area of health that definitely needs tweaking so we can keep our shagging shoes moving. Below is one of the biggest reasons we don't succeed in having health and energy.

I AM YOUR CONSTANT COMPANION ...

I am your greatest helper or your heaviest burden. I will push you upward or drag you down to failure. I am completely at your command. Half the things you do, you might just as well turn over to me, and I will be able to do them quickly, correctly. I am easily managed--- you must merely be firm with me. Show me exactly how you want something done, and after a few lessons, I will do it automatically. I am the servant of all great people; and, alas, of all failures as well. Those who are failures, I have made failures. I am not a machine, though I work with all the precision of a machine plus the intelligence of a human being. You may run me in the ground for profit or turn me into ruin---it makes no difference to me. Take me, trained me, be firm with me, and I will place the world at your feet. Be easy with me and I will destroy you! Who am I? "Habit"

May Johnson

Chicken Pickin Silent Auction

Just around the corner is 2017 Chicken Pickin in February at North Myrtle Beach!

Don't forget to bring your Silent Auction items to our next meeting at Cowans Ford in January. If you will not be there but intend to donate something, please contact Amanda Berry 704-609-6101, text or phone. We need to know what the item is so sheets can be printed.

Thank you for your donations.

Merry Christmas and Happy New Year,
Amanda

From Bill Cavin:

I just wanted to take a minute to tell you a little about the SOS at Sea IV Shag Cruise to Hawaii. It all started out in LA one day prior to boarding the Carnival Miracle. We had a large group of Shaggers that met at the Holiday Inn in Los Angeles for a little pre cruise party. Wanda and I, along with fellow LNSC members, Mack Robinette, and Jo Beatty, and Sir Wally, AKA Dean, and Marilyn Whipp were all there, and ready for a party. Our favorite beach bar, the OD Arcade, furnished all 64 members of our shag group with a nice tee shirts to commemorate our trip. Odie goes to Hawaii was the slogan, and I think he had a great time. We sure saw a lot of him. Thanks Chris, Mitch, Ray, and Elaine for our shirts.

During our sea days Mike Harding played some great music for us to dance to. What a great way to past the time at sea. Everyone really enjoyed our dance time. We had 64 people on board, and because of this, we had more time to get to know each other.

During 2 of our days in port SOS at Sea IV provided special tours for us. First it was on Kauai with a trip to Waimea Canyon, the Grand Canyon of the Pacific. What beautiful scenery, as was everything on the Island. Our last tour, provided by SOS at Sea, was in the port of Hilo. We visited the Volcano National Park. This was the highlight of my trip. I had been to the park 4 times before, but never had I ever seen the Lava bubbling up at the bottom of the crater. This time was different. It was amazing to see, and it lasted for over 30 minute during our visit. In the other 3 ports we visited everyone went their own way. It was always nice to go as a group, but you also enjoyed doing your own thing as a change of pace. No structure. I could go into a lot more detail on what we did on the cruise, but you need to just go on the next trip to Alaska, to see for yourself. I think we have about 40 people from this area signed up already.

Sorry I missed getting this in for the last Shaggin Shews, but Wanda and I were part of the group that went to Key West, and there just wasn't enough time between trips.
