Message from Your President:

Summer Time. It is hard to believe how fast time is flying by. This is the time of year that we all identify with our younger days, and the time we spent at the beach. Whether it is the smell of Coppertone, the sting of that really bad sunburn or the sand in our trunks; oh and least we forget the friends we made during that time, yes, life was good. These memories are a big part of our lives and it helped shape who we are today... A fun loving and caring group of people who loves the beach, the music and our friends. That pretty much sums up LNSC!

Very special thanks go to the Warren's, Duggins and Bush's for again taking on the Chicken Pickin'! Please, please give them a big thank you when you see them! This is a party you will not want to miss and is considered by many the best beach party in the Shag World. So if you missed it last year, make plans to be there in 2015!

The board has been hard at work developing our bus trip for October. We will have a sign-up sheet at the meeting Saturday. Don't worry if you will not be there, just send me an email and let me know you want to go!

Terry

IT'S A BOY!

By Renee Muse

After months of waiting, Lance and I can finally say we have a grandson! In this crazy age of technology, not only can you find out the sex of your baby but you can actually see the baby's face in a 3-D ultrasound if you wish. Almost like a portrait. However, our daughter, Kelly, chose to take a different approach. She wanted her baby to be a surprise! And what a surprise he was! Robert "Jackson" Musante was born on Tuesday, June 17th at 12:17am weighing in at 8 pounds 2 ounces. I was able to hold him when he was less than one hour old. I knew at that moment our lives were changed forever....in a wonderful way! For those of you who are already grandparents, you know what I'm talking about. If you are still waiting to join this amazing club, I can't really describe it for you. It's just one of those life experiences that you will have to see and feel for yourself.
